TOMATOES ON THE VINE

Guaranteed Fresh Flavor

Product Description

Eurofresh Farms' Romas are plum sized tomatoes that are egg or pear shaped. Our customers love their "off of the vine" flavor and use them when making sauces or can them to preserve their home grown taste. Eurofresh Farms' Romas are also a healthy addition to any meal, whether eaten fresh or cooked. Because these tomatoes are grown and packaged still on the vine, they stay fresher, longer at the grocery store making them an ideal ingredient for any application.
